Greenwich, NY 12834

Greetings,

My name is Jim Mumby and I'm the president of the Citizens Committee for Greenwich Youth (CCGY), the non-profit organization that operates the Greenwich Youth Center (GYC). As Giving Tuesday approaches, I write to you because we need your support to continue serving the youth of Greenwich.

In 2009, the CCGY was incorporated as a 501(c)(3) non-profit. The Village of Greenwich provides us with space on the lower level of the Village Hall in addition to quarterly Gannon Fund distributions. In return, the CCGY provides staffing, programs and nutrition for grades 3 through 12, both for after-school hours and throughout the summer. Our history of service also includes the creation of Gannon Park with its splashpad and basketball court, improving the trails at the Hayes Reservoir and the renovation of the upper level of Village Hall. Through the years, the GYC has provided a "safe space", access to food, arts and crafts, games and computers. Additionally, we sponsor dances, peer-tutoring, the Safe Sitter program and cultural events.

It will come as no surprise that our costs have increased, especially over the last few years. Whereas the Gannon money in the past would mostly cover our staffing, that is no longer the case. So, today we ask for your help in continuing our mission as the Gannon's saw it: "...for the purpose of providing recreational facilities, programs or opportunities for the youth of the community." No amount is too small and would be greatly appreciated. Even \$10 provides an afternoon snack for 10 kids! Please return the slip below in the enclosed envelope or visit: www.greenwichyouthcenter.org There you'll find links for PayPal and Venmo. We are also always looking for people to volunteer their time or share their talents.

Thanks in advance from the youth of Greenwich,
Citizens Committee for Greenwich Youth
