

Welcome to the Greenwich Youth Center's *CREATIVE ARTS PROGRAM*. This is a program for the Youth of Greenwich who are interested in learning how to enhance their creative side.

The Creative Arts Program is **FREE** and open to all Members. *Non-members are free to join the Greenwich Youth Center and participate. Space is limited for each session and is on a first come, first served basis.*

Each session will have a *maximum of 15 available spots*. Once the spots have been filled, prospective participants will be placed on a waiting list until/if an opening becomes available.

Members can sign up for *one session at a time*. A registration form must be filled out for each session. Details of when registration will begin for each session will be posted on our website, through our Facebook page and through flyers.

The *CREATIVE ARTS PROGRAM* is for participants with no experience and those with lots of experience. The workshops and special activities are designed to develop and enhance skills that will be demonstrated at the end of the Session. The *FINALE EVENT* will be open to the public and all are welcomed to support our youth as they demonstrate what they have learned. The schedules of the workshops varies as well as the times. Once the schedule is given for the workshop, please plan accordingly.

Example

CASTING and Developing a Play: January 7th & 8 @ 6:30 – 8:30 and January 11th & 19th @ 1:30 – 3:30

Acting on a Stage: January 21st, 27th & February 3rd 1:30 – 3:30

Participation in each session is a *commitment* to see it through to the end. The expectation is that every participant will endeavor to make every effort to attend the workshops and activities they sign up for. Within each session, participants can choose what workshops/activities they want to attend. This is to accommodate members with busy schedules. *A minimum of three (3) workshops and/or activities is required*. Each workshop/activity will meet once a week, up to twice a week and can last up to three weeks. Please call the GYC if you are going to be late or are unable to attend that evening's workshop. A no call/no show for a workshop will result in the spot of that participant for that session, going to a waiting person willing to commit. Two cancellations for a workshop will result in that participant's spot given to someone else on the waiting list. Please make every effort to be on time for workshops. Arrival at least five minutes prior to the start of each workshop is best.

Whether a participant chooses the minimum or all of the workshops, participation also includes working towards a finale event that will use what they have learned in the workshops and is appropriate for their skill level and comfort level.

There will be an introduction to the session that all participants are expected to attend. Sign up for individual sessions will be provided at that time, along with objectives and expectations for the entire session. At the introduction to the session, specific dates and times of the workshops will be provided. There will be at least a week in between the introduction to the session and the first workshops. In the event that workshops overlap, participants will have to choose which one they would prefer.

If you provide an email address (recommended), you will receive updates and notices via email to keep you updated to any changes that might take place. Phone calls will not be made. Posts to Facebook, the GYC website and emails will be the preferred method of correspondence. Feel free to call us if you have any immediate questions or concerns. All email queries will be responded to within 24hrs.

CHOOSE A SESSION

SESSION I – THEATRE & THE ARTS
January – March

SESSION II – MUSIC
April – June

SESSION III – DANCE
September - November

NOTE: I understand that each session follows a different calendar of events. There will be an introduction to each session where each participant can choose what workshops they wish to be part of. They must choose at least three (3) workshops. The schedule for each workshop will be distributed at that time. By choosing a workshop each participant is committing to attending all sessions within that workshop. Meetings for the workshops may be 1-2 times a week. Each participant is to hone skills and/develop the necessary tools to demonstrate what they have learned for the finale event.
