Dear Member,

Welcome to the Greenwich Youth Center. We are glad to have you. The Greenwich Youth Center serves as a welcoming and safe environment, where all members can hangout, participate and engage in various activities. At the GYC, we offer various programs to stimulate the creative and academic mind. Membership is always Free and most of our programs are either free of have a very low cost. Check out our website or Facebook page for more information.

This membership handbook serves the purpose of giving all members and parents a brief overview of what it means to be a member of the GYC. The member handbook is subject to change, and notice will be given of any changes made. It is the responsibility of each member and parent/guardian to read through the contents of the member handbook and be fully apprised of all expectations, responsibilities and rights.

All members must be aware that the GYC shares the building with other Village Agencies, and as such, must be respectful of our neighbors at all times.

If at any time, you have any questions, comments or concerns, please bring it to the attention of the Director or Assistant Director, who will be more than happy to assist you. Again, welcome to the GYC and we hope you take advantage of that we have to offer!
